## **Annual Report 2014**

**Who then is that  
faithful and wise  
steward ... ?**

**Luke 12:42, KJV**

This is an account of the Stewardship of God's people at PCC.

"With thanks to God, the Father, for His lovingly patient care for us;

With gratitude to Jesus Christ, Lord and Savior, for His sacrificial death for us and victorious life in us;

With praise to the Holy Spirit for the fruit of His filling of us and His gifts to us;

We covenant to be a people and place of Christ-like love.

We covenant to be a place where Christians are built up and equipped to a place of maturity: as members of the Body of Christ, as members of an individual family, as members of a community.

We covenant to be a people engaged in individual and corporate witness by our service and words, both in our immediate community and around the world.

We accept for ourselves the biblical goal of being people who are glorifying God by being transformed into the likeness of Jesus Christ.

We see our ultimate authority to be God, as revealed in and through Jesus Christ, recorded in the Scriptures, and reinforced by the illumination of the Holy Spirit.

We acknowledge the fact of grace, that each one of us is a co-worker with God according as He has given to each one of us our individual measure of His boundless grace.

We recognize the authority of Christ, Head of His church, as being expressed first through our membership, then our elected leaders.

Therefore, the Perinton Community Church has been called together."

## Senior Pastor Report

### *Home.*

Polly, Ethan and I are blessed to call this place, “home.” Last year I reflected on our move from Tennessee to New York. All of that is now behind us. We are here. We LOVE being here.

One blessing of this year - for me - has been the intentional way the Missions Team has kept us informed. I have been gladdened by the many announcements and opportunities for sharing. We were all blessed when Gail Schlosser returned to assume new responsibilities at Houghton. Gail’s return only served to heighten interest in missions. What a blessing to see this interest expressed in so many other areas: the wonderful Costa Rica trip and involvement with Flower City Work Camp led by Pastor DL, our continued involvement with local ministries like the Father’s Heart, Open Door Mission, Young Life, Cru, and others. I am so encouraged to know members of PCC mentor students, teach literacy at Pines of Perinton, lead Bible studies in downtown and serve struggling mothers through Compass Care. Space does not permit a full accounting but I am honored to serve in a congregation where people live out a vigorous faith.

I see people serve. Most often those whom I see do not consider others might be looking. Snow is shoveled. Meals are brought to the homebound or grieving. Yards are tended; yes at the church building but, also, for those who cannot tend to their own lawns. Mothers and fathers invest their time on Wednesday nights in the lives of their children. I love seeing new families bring their children and find connections through Choir, Boys Brigade and Pioneer Girls. I love seeing PCC members support MOPS through mentoring. Can’t help but smile walking down the hallways on a Friday morning and see our PCC ladies give their time to nurture small children. Can’t help but smile when a Monday or a Tuesday rolls around and - depending on the night - Elders, Deacons and/or Trustees are here, giving their time. All such areas of service are, as I see them, forms of communication. What are they communicating? “I love my Lord. I love His people.”

Two personal notes. This year I began the Meat Lover’s Bible Study and our first effort has been a journey through the book of Ephesians. The reason for the study was to begin to provide a more in-depth class offered during the week. The themes and structure of the class will evolve over time but I am committed to providing this kind of learning opportunity going forward.

Finally, Polly, Ethan and I were delighted to be in “The Gospel According to Scrooge.” Pastor Mike did an outstanding job! We loved being connected in the common effort. So many - too many to name here - did so much to make “Scrooge” a success. If ever you want proof of a miracle-working God then remember this: Polly and I danced in the Fezziwig scene! (And lived!!)

The pastoral visits will continue. Changes in other areas will certainly come. God blessed us so richly in 2014. Thank you all for your continued involvement with the ministries of PCC, your generous giving, your expressions of encouragement. I look forward to the coming year.

Blessings,  
in Him,  
**Tim Alexander**

## Youth Pastor Report

As I reflect on the ministry that took place in 2014, I am reminded of Ephesians 2:10 “For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.” In 2014 we as a church had the opportunity as God’s workmanship to do good works for Him, to give Him glory, and I am thankful to say that more often than not we took advantage of those opportunities to do good works, and give glory to God. In this report I want to look at areas where I can see God working in order to give Him praise.

At the start of 2014 a team was already formed to go to Costa Rica on a short term mission trip in July. For some members of the team this was their third mission trip to Costa Rica since 2009. For others it was their first time, but either way, it was clear that God had great things plans for this team. In the months leading up to the trip our team met regularly. During these times, we focused on team building, prayer, trip preparation, and together we read the book “Love Does” by Bob Goff. During our time in Costa Rica the team lived with host families, shared a lot of laughs and worked together to share the good news of Jesus Christ with everyone we worked with. Two of the ministry highlights from the trip were ministering to three of the local high schools by giving a cross culture presentation and our students shared their testimonies and what Jesus means in their lives. During our time at the schools, we had the opportunity to invite the kids we were working with to the local church for a movie night. The movie that was shown was filmed in Rochester and it is called “King’s Faith”. The movie hit on some topics, such as gangs, broken families and drug use that the high schoolers in Costa Rica could relate to. Another one of the ministry highlights from the trip was the time we spent at a sports and Bible camp located in a community of refugees living in extreme poverty. We were able to be part of the soccer camps that meet there on Saturday mornings. We helped lead Bible studies and shared some testimonies with the people at the camp. We also helped fix up the facility during the week, by picking up trash, organizing a tool shed, painting and other various maintenance activities. While a lot of great ministry took place during this 11-day trip, two clear highlights stand out to me. The first is the relationships that were formed. Relationships between team members and between our team and the Costa Rican’s that we worked with. The second highlight came during our time of debriefing before we returned back to the states. Two of our students had asked to be baptized during the trip. After a week of ministry it was a great way to conclude the trip. One of the ways this trip was made great was by the leaders that attended the trip: I am thankful to Mary Haltiner, Jeff Hoyt, Delaney Seaman, Tiffany Walter, and of course, our missionary Carlos Mestayer who has been facilitating the groups we have taken down since 2009.

While the youth group mission trip to Costa Rica was the major activity that we did this summer, it was not the only ministry that took place. As we typically do, our church participated in Flower City Work Camp. The students and adult leaders that participated were a blessing to the city of Rochester. Not only were they a blessing, but many of them grew in their personal walk with the Lord. In addition to these two major events the youth ministry at PCC has kept busy in 2014 with our weekly Sunday night meetings. We looked at a few different topics this year. During the spring we had an intense study of what the Gospel is. Two of our students lead the teaching time during the study and did a wonderful job with it. This past fall we spent most of our time studying the Sermon on the Mount.

The youth ministry was not the only PCC related ministry that was keeping me busy this past year. In 2013 our church started a ministry called Thrive. Thrive is children’s church for grades 1-5, which Tiffany and I lead every Sunday except for the first Sunday of the month, when the children attend worship with their parents. This ministry has been great for the life of our church, and Tiffany and I have enjoyed leading it each week. Over this past year the ministry has grown and we have incorporated a third person to help us each week. I am thankful to Shannon Magin, Kate Hartsough and Chrissy McMillan for helping out once a month.

One area of ministry that has been a huge blessing to me this past year is the college aged Bible study that was started. A group of PCC students that stayed in the Rochester area for college have been meeting monthly for a Bible Study that Tiffany and I lead. This has been a great way for these students to continue to maintain the relationships that they started while at PCC, to have accountability in their Christian walk and to study the Word with a group of people that they have a history with. I am looking forward to continuing this new Bible Study in 2015.

## **Worship Pastor Report**

2014 was an exciting year for me as Worship Pastor. I was and am still very grateful for PCC's increasing my hours to full time. It has been wonderful being able to fully pursue some of my goals as well as to work toward new ones. While I will give an overview of the highlights from 2014, I wish to say that the worship of PCC is still my highest priority. I will continue to strive for authentic true worship by choosing music that is biblically based reflecting spiritual truth. I will also continue to encourage members to feel a freedom to worship by responding naturally to all that Jesus is and all that He has done.

This year we began a drama team. The drama team is responsible for acting, writing and directing biblical dramas for the church service. This year we were able to write and perform three times. It is and will not be a regular occurrence as it is difficult to get enough people together in a short time frame but I will continue to look for opportunities to do so.

When Easter is included the choir sang nine times during the spring. We did a combination of a cappella, gospel, southern gospel, traditional and contemporary. With such a diverse congregation, I will continue to seek balance in our selection and include a variety of styles.

Summer saw the TV screen go up in the Fellowship Hall which has been a blessing to most of us and has been used consistently. This was the final piece of a magnification project that included new speakers, electric drums and a new sound board. I feel these improvements have been an enormous success thanks to the large amount of positive feedback I have received from the congregation.

Fall saw the choir singing all new material but that ceased at Thanksgiving when we seriously began working on a larger project, "The Gospel According To Scrooge".

The “Gospel According to Scrooge” musical that took place in December was also, I believe, a success on two levels. First, we had close to 600 people attend the two performances. Many were not regular attendees. That meant that many people who we do not know where they are spiritually saw the Gospel in a fun, exciting and non-threatening way. We continue to pursue connections with these people and have them on a list to encourage them to come to other special events.

Second, the show was wonderful at bringing people together. Friendships were formed in the body that had not existed before. The show unified PCC with the time commitment, so many of us working toward the same goal. Also it encouraged the entire church family to be active together in evangelizing others by inviting them to the production.

I have always felt a strong conviction for these sorts of projects because I have seen churches rally together, coming closer to one another, but also being encouraged by one another as each one proclaims the Gospel.

Finally, I wish to thank James and Amy Bulmahn for their service as deacons of Magnification. James was instrumental in all of the audio upgrades including setting the screen we enjoy in the Fellowship Hall. Amy worked tirelessly with a team including Diane Alderman to repaint and refurbish much of the downstairs and the office hallway.

At the end of the summer James and Amy felt they were ready for a break. In the interim as we discuss our entire deacon situation I have been coordinating Magnification with the help of Wally Forstrom our Elder for Deacons. I am pleased to say that many of the things that fall under Magnification have been working well. I have sought out the needs of the individuals that fall under this “M” and they are in good shape.

When I look back at 2014 I see a year of progress, improvements, effective ministries, and an overall desire to be intentional about making decisions when empowered and directed by the Holy Spirit. As such, I continue to be thankful to be a pastor and member of Perinton Community Church.

## Elder Team Report

Trust in the LORD with all your heart; do not depend on your own understanding. Seek His will in all you do, and He will show you which path to take. (Proverbs 3:5-6)

To give a quick overview of 2014, the Elders met together 9 times for regularly monthly scheduled meetings, held 2 non-scheduled meetings, came together for an elder planning retreat, organized our annual PCC Leaders retreat, and interviewed and welcomed 8 persons into the fellowship of PCC as members.

Our Elders Retreat was held January 24-25 (the first one ever). It was a time to regroup, encourage one another, reflect on the past year, and to discuss plans/visions for PCC. During our discussions we were reminded to embrace our role as spiritual leaders allowing God to work through us with the gifts and passions that He has gifted us with. As elders our leadership responsibilities encompass both the spiritual as well as the administrative aspects of PCC. This certainly has its challenges and, by the grace of God, we endeavor to maintain a strong and caring leadership. Our retreat discussions also focused on the growth in Sunday morning's attendance as we gradually approach the capacity of our sanctuary.

It has been about 14 years since PCC has moved away from the "Church Officers" structure of leadership to our current model consisting of Elders and Deacons. Based upon this model, each Deacon is assigned a specific task related to PCC's 5 stated values namely Magnification, Membership, Maturity, Ministry and Mission. Over time some of the areas of ministry have changed enough so that a Deacon position might have become somewhat obsolete. Because of these changes the elders will be evaluating our current structure during 2015.

PCC is blessed to have an abundance of children and a number of programs ministering to them. It is a requirement for all those involved with our children's programs to go through a training class on PCC's Child Protection & Policy. Because of this a class was held on February 8<sup>th</sup> with 83 attending.

One topic that has come across all areas of PCC's leadership has been the issue of open Wi-Fi connection for those in attendance at our services. The office staff have been the only ones with access to the Wi-Fi with some allowance for special requests. In order to expand this, concerns over security and abuse were the elders focus of discussion. When those issues were resolved the trustees were asked to proceed with the process of having it installed.

Over the last several years DL has been working, on a part-time basis, towards a Masters degree in Theology from Northwestern Seminary at Roberts Wesleyan College. Having completed his work this year, we have put in motion the process of ordination to include an ordination council that Pastor Tim will be organizing. We look forward to that occasion.

## Trustee Board Report

As the Summary of Income and Expenses for 2014 shows, we had a very good financial year. Our giving was wonderfully increased and we stayed under our budget for total expenses. An oversight in 2013 did not allow enough allocation by the Mission Team for supporting the Costa Rica Trip but the shortfall was easily covered and all went well.

As a group entrusted with overseeing our funds and the care of the building, we tried to do more than just authorize spending and fixing things as the needs arose. Unfortunately, that is an ideal and there were emergency repairs and expenses that just had to be taken care of (i.e., rodent sites, bee invasions, tree hit by lightning, chairs falling apart, lighting ballast, tree removal by the office, and some other necessary items). We have an aging building and this year we hope to address that issue in a major way. Since we do have a surplus from the 2014 budget, we want to look at some upgrading and improvements that can be handled before they become emergencies. There is still a problem with the tile flooring in the main entrance, brick-work is needed on the rear of the building, new lighting is necessary in some stairwell areas, updating and improving many of the bathroom areas, re-allocating some of the usable space, and careful inspection of the entire building to determine what parts are sound and functioning well and what areas may become problems and/or need updating in the next few years.

We will also be looking ahead to major needs such as a new roof and expanded paving in the next few years. To be sure these can be handled on an “as needed” basis, we will probably be asking the congregation to increase the amount of funds we can put in the Facility Escrow Fund. In “dreaming”, the way we have often asked other committees to consider at budget preparation time, we are considering the opportunity to build an outdoor pavilion just beyond the parking lot (where the big willow tree stood). An Ad Hoc committee will be formed of members of all types of groups and interests within the church and we will keep the congregation informed.

As a congregation we have been greatly blessed and it is our task to continue to use these blessings to serve the Lord, the community and our programs as we grow and deepen our commitments.

## Deacon Team Report

2014 was a year of change for the Deacon Team. We did not have a full team to support the five purposes during the year but the Deacon Team did many things that blessed our PCC family. I would like to personally thank them for all their contributions.

Mike Skifstad volunteered to complete the term for the Deacon of Magnification in addition to his responsibilities as Worship Pastor. Eric Rogers agreed to fill in the void for the Deacon for Missions in addition to his joint responsibilities with Judy Rogers as the Co-Deacons for Ministry. Ursula Courtney and Gisela Schneider agreed to complete the term as Co-Deacons for Membership.

I would like to thank James and Amy Bulmahn for their contributions as Co-Deacons of Magnification and Jennifer George for her contributions as the Deacon of Membership or what she affectionately called the FUN team.

I would also like to recognize and thank Ed Marr who has finished many years as Deacon of Maturity and was required to step down as required by the PCC constitution term limits for a well deserved rest.

I have completed my first year as the Elder for Deacons and am thankful for the support I have received.

### MATURITY

The challenge and responsibility of the Maturity Team is to instruct the Body of Christ in the Word of God. We do this through a variety of programs aimed at all ages from the youngest to the oldest and by providing resources to help everyone grow in their walk with the Lord. I am thankful that God has provided so many capable and dedicated people to make these programs available for all of us. Our program coordinators welcome help from others in the Body. Following, in the words of the coordinators, are summaries of the Maturity Team's programs.

### YOUTH CHRISTIAN EDUCATION

The Youth Christian Education program for Perinton Community Church occurs prior to worship every Sunday morning during the academic school year. Following are the classes that have been ongoing for 2014-15 and those who have faithfully served as teachers.

Two and three year olds: Pam Boy & Brandon Belke  
Our four year olds & Kindergarten: Helen Soanes and Norma Easley  
First & second grade: Jennifer George & Pam Rao  
Third through fifth grade: Rebecca Goodchild & Tym Finger  
Junior High School: Kelly Petrucci & Eileen Adams  
Senior High: DL & Tiffany Walter

The preschool through 7<sup>th</sup> grade classes are continuing to use Group's "Faith Weaver Now" for their curriculum. All grade levels are taught the same Bible account each week to facilitate family discussion about what all the children are learning. There are around 70 children eligible for the preschool through 7<sup>th</sup> grade classes. In addition, the Kindergarten through 4<sup>th</sup> graders participate in a time of singing together before their lessons begin. They shared their songs with the congregation in worship on February 8th. I would like to thank all of the teachers and helpers for their hard work and dedication in teaching PCC's children and youth.

*Janet Betteridge*

### CHILDREN'S CHURCHTIME

I am pleased to announce that Yvette Ciorca agreed to become the co-coordinator of Churchtime during 2014. Thank you, Yvette, for helping organize and plan our Churchtime materials. We wish to thank Steve and Pam Boy for their willingness to serve in leading the dismissals, putting together the Churchtime magnets, and making our children feel loved and special by learning their names. Thank you to Sue Fuhrman for compiling relevant books from the library to supplement our materials. It is not only a great ministry to the children, but also to the teachers as they prepare lessons. We also wish to thank our teachers for the 2014-2015 school year: 2/3s – Kathy Brunner, Cindy Kielon, Dawn Kuwik, Mary Benedett, Evie Peck, Allison Fowler, Shawna Lockhard, Crystal Nickson, Emily Brooks, and the Hartsough family and for 4/5s – the Butler family, Jodi Englebrecht, Bill Easley, Judy Rogers, the Smith family, Beverly Crawford, the Harringtons, and the Goodchilds. We are so gratefully for their willingness to humbly serve. Without them, this ministry would not be possible. "Humble yourselves before the Lord, and he will lift you up." James 4:10 NIV

We are still looking for three more volunteer spots to be filled. Please prayerfully consider serving in this area of need. Thank you.

*Rachel VerHow & Yvette Ciorca*

## **CHRISTIAN SERVICE BRIGADE**

Christian Service Brigade, commonly known as Boy's Brigade, is a ministry to boys from preschool to junior high age. The program provides a time of fun, practical activity, and Christian learning to inspire boys to grow into Christian young men, husbands, dads, and community leaders. This year Brigade operates as two groups, Tree Climbers and Stockade. The Tree Climbers group is for Kindergarten through second grade boys. This club program is structured for boys and their dads. The older group, for third through sixth grade boys, is called Stockade. About 20 boys are participating on Wednesday evenings along with 8 to 10 dads or leaders. This year Jon VerHow has joined us as co-coordinator as he prepares to take on the leadership of PCC's Brigade program.

The club meetings usually begin with games that include both of the age groups as well as dads and leaders. Typically, games start well before the scheduled meeting time and continue until most of the boys have arrived. Next, the entire group joins a formation for an opening prayer, the pledge of allegiance to the American flag, and announcements. We then break into Tree Climbers and Stockade groups for meetings that usually include Bible study or memory verses, a craft or learning activity, a story, and more active games.

Our Brigade also does a number of special activities throughout the year. These included a three night camping trip at Fourth Lake in the Adirondack Mountains, a winter weekend at Camp Hickory Hill, hikes and picnics, the Pinewood Derby, and attending a Rochester Red Wings baseball game and a Rochester Americans hockey game.

Throughout the year many men have helped with providing the program for the boys. They include Andy George, Chad Goodchild, Jeff Hoyt, Kevin Magin, Tim Nickson, Greg Peck, and Steve Smeenk. We will always welcome others to join in on an occasional or routine basis.

***Doug Wendl & Jon VerHow***

## **PIONEER GIRLS**

We are well into our fifth year since restarting this ministry at Perinton Community Church after not offering it during the 2009/10-program year. This ministry has been a blessing to our girls, leaders, PCC and the community. In five years, we have more than tripled our enrollment. We currently have 33 girls attending Pioneer Girls on a regular basis; three are from other churches or currently have no home church. We are down 3 girls from last year. This year we continued with four groups: Scooters (4 and 5 years old), Voyagers (1st and 2nd graders), Pathfinders (3rd and 4th graders) and Trailblazers (5th, 6th and 7th graders). We have 6 Scooters, 13 Voyagers, 10 Pathfinders and 4 Trailblazers led by 6 leaders and 3 to 4 helpers.

We are working with the same curriculum as last year but in different books so our badges are not a repeat of last year. Most girls will spend 2 years in each group. So far we have been busy learning about God, creating friendships, strengthening our community and reaching out to those that may not have as much as we do. The girls have been learning about the Bible and God's desire to have a relationship with each one of them.

Together we have had Bible story meetings and theme days. There were service projects for church members; two of those were for members battling cancer. We also supported the PCC 'Love Box Ministry'. Our 2014 family events were the fall outing at Wickham Farms and the annual Christmas caroling. The Pinewood Derby is another event that makes many memories for both the girls and boys. What a wonderful tradition! In December, we did a Christmas focus, in January we invited families to eat dinner together and celebrate the girls' accomplishments. Our Pioneer Girl Sunday was in March. In that event the girls shone as they greeted church members prior to worship and sang during the offering. March will also be the Pinewood Derby and in April we will have our Annual Sleep Over. I know the girls are excited about the thought of spending the night at church. We will celebrate the end of the year with a second awards ceremony.

This ministry is changing lives. Praise God! What a blessing!

## MEMBERSHIP

The Membership purpose at PCC exists to focus on fellowship; creating a sense of unity as we serve together and welcome newcomer, as well as, meeting each other's needs and developing a sense of belonging. Below is a summary of our programs and highlights from 2014.

### **GREETERS**

We have 9 family units who serve at our doors on a rotating basis. Thank you, Bill & Sue Jenack, Eric & Judy Rogers, Pat & Shirley Patteson, Bill & Janet Betteridge, Jim & Maureen Parker, Wally & Carol Forstrom, Tim & Cindy Heffer, Cindy Kielon, Tom & Mary Benedett. If this is an area where you would like to serve, please let Gisela Schneider or Ursula Courtney know because we welcome more greeters.

I would also like to thank everyone who keeps an eye out for new faces and makes them feel welcome and wanted. Thank you for being a church family who loves one another and intentionally desires to make others feel welcome when they worship with us.

### **COFFEE & CONVERSATION**

Everyone enjoys the fellowship time after church complete with beverages. It wouldn't be possible without the faithful service of many willing hand. We appreciate and thank our "coffee crew" for their behind-the-scenes service. Our "coffee crew" includes: Andrew & Jennifer George, Glen George & Diane Ross, Bill & Sue Jenack, Jarrod Oakly, Janet & Ed Marr, Pat & Shirley Patteson, Jon & Rachel VerHow, Tim & Sue Wilson and Ursula Courtney.

Thanks to Rick Giannetti's idea to move the coffee maker from the cafe to the kitchen and the hard work of Alan Gardner, Wayne Thiel, and Duane Courtney. We now have fast hot coffee with much less waste.

### **GROWTH GROUPS**

Small groups meet regularly to study God's Word together. Participation in a small group is one of the quickest and most effective ways to grow in the Lord while developing friendship with the church family. We have Growth Groups that meet at varying times. Thank you to Crystal Nickson for her 4th year of maintaining our Growth Group schedule and plugging in interested newcomers.

### **Greeting Card Ministry**

Thank you to Florence Daltilio and Rita Borden for giving of your time and energy by remembering each one of us. Florence lovingly sends out birthday cards never missing a one. Rita with much devotion mails out encouragement/get well/congratulations/ thinking of you cards. We appreciate these ladies as well as everyone else who cares for those at PCC by keeping in touch and letting them know how much they love them.

### **FELLOWSHIP/FAMILY LIFE MINISTRIES (FUN TEAM)**

The FUN (Fellowship, Unity and Need for belonging) Team completed its 3<sup>rd</sup> year of planning. We had a slight slow down in events because of the change of leadership, we hope to get back on track and start the FUN rolling at full steam. Some of the events that occurred this year are: Valentine Dinner, Easter Breakfast, and the Church picnic. I want to say Thank you to the woman that worked on these events: Jodi Engebrecht, Ann Easley, Sue Wilson, Ursula Courtney, Jackie Rogers and Gisela Schneider.

### **SPECIAL OCCASION CAKES**

Thank you to Jackie Rogers for taking care of this very important and delicious event.

*Ursula Courtney*

Deacon for Membership

## MINISTRY TEAM

This has been another year of many blessings within our ministry programs.

The **Nursery** has seen a change in leadership and some updates to the space. Maggie Hanchett now heads up the nursery and is doing a great job.

**WOMAN'S MINISTRY** has also seen a change in leadership. Polly Alexander is heading up the various programs and is off to a great start. Janet Betteridge continues to lead the woman's Bible studies.

**MEN'S MINISTRY TEAM:** Andy Straw, Bob Peterson, Tim Heffer, Bill Easley, Steve Baldwin, Mike Skifstad, Jeff Crawford, Tim Alexander, Greg Peck, Wayne Hill, Bob Easley

The Saturday Men's Breakfasts happening five times yearly continue to be foundational for Men's Ministry, with good food, fellowship, and succinct topical or testimonial talks.

The Saturday Study Group continues, finishing our Hebrews study in the spring. This fall we began what will probably be a 2-year study of Patrick Morley's "Seven Seasons of the Man In the Mirror". The time together provides some "small group" benefits for those that meet.

The Men's Retreat in September was outstanding, led by Pastor Chris Kelley. His theme for the day was "Joseph: Learning to Leave a Legacy", dealing with the difficulties he encountered in his life, and how he dealt with them and left a legacy of accomplishment and integrity. It was well received by the 24 PCC men that attended.

A golf day in August was very well received (23 players) and will likely be repeated soon. The softball team had their best year yet with a break-even record.

**LOVE BOX MINISTRY:** Twenty-five Love Boxes were sent out in February as a gift from our PCC Family through your generous donations. The gifts were very much appreciated by those that have received the packages and many were able to share their bounty with others.

In **MOPS** we have seen growth, maybe not as much as we thought early in the fall with the expressed interest in our group. But, we seem to have stabilized at 5 full tables of moms of preschoolers and our new table that includes moms of school age children called **MOMSnexT**. The childcare area is usually pretty full and we've had very good coverage with volunteer and paid workers. We are thankful for all the hands that come together to make this program run two Fridays per month.

Stacia is a wonderful coordinator and she has really been such a servant leader of our group, she makes being a mentor pretty easy! She contacted our steering team about attending the National MOPS Conference in Indianapolis this September. I am excited to think that someone could attend this conference and continue to build and support this ministry outreach at our church.

Thanks for all you do! Love in Christ,  
**Anne Hartsough (Steering Team Mentor)**

Thank you all who help to run these fabulous ministries!

Yours in Christ,

## MISSION TEAM

Missions in 2014 was a year of great change, interest and action here at PCC.

We were encouraged once again by the number of people from our congregation that have felt called to the mission field. We have sent out servants in many locations and serving in many different areas.

Early in the year the missions team felt the need to refocus our efforts. We redefined our purpose as a team to:

- Provide financial, prayer, emotional and logistic support to the missionaries that we have selected to be directly involved with.
- To promote within the congregation interaction and interest with our missionaries.
- To challenge the congregation in regard to missions.
- To promote, develop and mentor those from our congregation that feel called to the mission field.

We also set a new goal for ourselves:

God's people at PCC will be impacted, invested, involved in missions for God's glory.

To achieve this goal we have increased our efforts to disseminate information. We don't want to limit exposure to just the missions we support in our budget so we continue to subscribe to "The Church Around The World", a flyer we insert into the bulletin and we are using the months that have a fifth Sunday in order to introduce a person or organization that we do not currently support in our budget.

We delivered, completed and distributed our Mission family booklet. It is our hope that this will be used to better familiarize ourselves with the missionaries and organizations that we support. This can also be used as a guide for prayer and encouragement. We feel it is extremely important that our mission family know that we are praying for them and interested in what is going on with them and their ministry.

I feel it is important to let you know what the 02 mission fund is and how it is used. This is a unique fund. It is not funded through our budget. All the money in this fund comes from donations that are specifically designated as missions. This fund is a very important part of our tool kit to support missions. Many things pop up in between budgets and this fund can be used by the mission team at their discretion to address such things. Over the years we have used this fund to cover many things but I'll use this year as an example. This year we used this fund to:

- Assist in travel expenses for visiting missionaries.
- Provide funding for Michelle Benedett. (Entered the field in between budget cycles)
- Assisted Rock of Hope Ministries and Iosif Ignataoie with budget shortfalls.
- Provided funding for Kari Forstrom to go with Young life on a mission trip to El Salvador to provide medical services.

It is apparent the team does a lot. We are doing this with what I believe is the smallest team we've had in a very long time. Please pray that God will continue to energize us as well as bring forth others interested in serving on this team.
